Parent and child each with their own horizontal gradient

parent gradient child gradient parent

Child with a transparent background over the parent gradient

parent gradient transparent child parent

Vertical gradient with explicit stops on a padded and bordered span

vertical stops

background-size 20px with repeat-x and no-repeat

repeat-x tiles no-repeat single tile

Wrapped span (slice): one gradient across the fragments

a gradient span that wraps over several lines in a narrow box

Wrapped span (clone): gradient restarts in each fragment

a gradient span that wraps over several lines in a narrow box

Parent solid color with a child gradient and padding larger than the parent's

parent child gradient taller
